

Action Research in Education: A Practical Guide

Career Opportunities

Whether you're new to Rhode Island or have grown up in the Biggest Little State in the Union, there's a lot to learn about our state. From anywhere in Rhode Island, you are just minutes from Providence and Newport, a ferry ride to Block Island, Martha's Vineyard and Nantucket islands, a short drive to Boston and a quick train or bus ride to New York City. Rhode Island may be small, but it's packed with a fascinating history, world-class restaurants supported by thriving local farms and Narragansett Bay harvests, academia, excellent schools, a rich economy and things to do. For the locals, it's our home, and we think you'll love it too!
