

Activities for Teaching Statistics and Research Methods: A Guide for Psychology Instructors

The mission of the CARE Team is to assist in protecting the health, safety, and welfare of the students and members of the UNT community, support student success, and provide a comprehensive response to students whose behavior is disruptive to themselves or the environment.

Spiritual Life offers programs and events, and connects students with a variety of existing resources, to make everyone feel welcome at UNT no matter what your beliefs are.

Student Legal Services offers a wide variety of legal guidance. The goal of this office is to counsel, advise, and represent University of North Texas students. Student Legal Services may write letters, draft legal documents, represent students, or otherwise attempt to resolve legal problems.

The R.I.S.E (Recovery & Intervention Support & Education) Center is a student support office that provides resources for students seeking information about substance use and recovery.

The University of North Texas is committed to providing a safe environment for all community members.
