

## CCRP EXAM STUDY GUIDE : SOCRA CERTIFICATION

### About the Exam

The Certified Cardiac Rehabilitation Professional (CCRP), exclusively for cardiac rehabilitation (CR) professionals, is the only certification aligned with the published CR competencies. AACVPR's exam assesses proficiency via questions that evaluate knowledge of facts, concepts and processes required to complete the following tasks as illustrated in the CCRP exam blueprint.

### Apply for Certification or Recertify Today

Ready to apply or recertify? Log in to the AACVPR website and then click on the "My Profile" link in the green navigation bar at the top of the page. When on your profile, click on the "CCRP Certification" link at the top of the page and either click "Apply for Certification" to start the process or "View or Renew Certification" to submit for recertification.

Click here for step by step instructions on how to apply for certification. If you are experiencing issues accessing the application, please review our troubleshooting guide.
