

CEO Excellence: The Six Mindsets That Distinguish the Best Leaders from the Rest

Scott Keller

Scott is a senior partner in McKinsey's Southern California office. He coleads the firm's global CEO Excellence service line. Scott spent his early consulting years working on business strategy and operational topics until his life was turned upside down when his second child was born with profound special needs. After taking time off to attend to his family, Scott returned to McKinsey with the desire to bring the best of psychology, social science, and the field of human potential into the workplace. Scott is a cofounder of Digital Divide Data and one of a few hundred people in history known to have traveled to every country in the world. His favorite place is Seal Beach, California, where he lives with his wife, Fiona, and his three boys, Lachlan, Jackson, and Camden.
