

## Encyclopedia of Primary Prevention and Health Promotion

Still â€” this focus on pronouns is. in my opinion an indication o0f serious mental issues brought on by Leftist indoctrination. These people are in their own worlds, not capable of existing in the real world, which is how Democrats want them: Confused and dependent on other taxpayers so they always have their votes.

This person has a few different sets of pronouns (ze/zir fae/faer) to match with when theyâ€™re feeling different genders pic.twitter.com/ckYdECc8P â€” Libs of TikTok (@libsoftiktok) December 16, 2022
