

English for Academic Research: Vocabulary Exercises

Groove Xcape by Xerjoff is a fragrance for women and men. This is a new fragrance. Groove Xcape was launched in 2023. Top notes are Cardamom, elemi, Ginger and Pepper; middle notes are Incense, Mimosa, Rose and Myrrh; base notes are Cedar, Patchouli, Benzoin and Labdanum.

A new realm reveals itself with a new chapter of Xerjoff Blends, between the notes of sound and scent.

Sergio Momo and Max Casacci, co-founder of Subsonica and musical pioneer, have combined the sacredness of sound with perfumery's most precious ingredients to create an unparalleled universe that explores the power of rhythm and scent, transporting the wearer to new, celestial heights.

Casacci's new track is created solely through the sounds of Xerjoff perfumes - the collision of the flacons, the swirling of the liquid and the hiss of the spray, mimicked in the Groove Xcape perfume's metallic top notes through ginger, elemi, pepper and cardamom, while incense, mimosa and myrrh seep into the heart, emulating Max Casacci's muse for mysticism.

Groove Xcape leads to an exquisite base of labdanum, cedar wood and benzoin.
