

Neuroimmunity: A New Science That Will Revolutionize How We Keep Our Brains Healthy and Young

Costco Wholesale Corporation

Analyst Report: Costco Wholesale Corporation The leading warehouse club, Costco has 838 stores worldwide (at the end of fiscal 2022), with most sales derived in the United States (73%) and Canada (14%). It sells memberships that allow customers to shop in its warehouses, which feature low prices on a limited product assortment. Costco mainly caters to individual shoppers, but nearly 20% of paid members carry business memberships. Food and sundries accounted for nearly 39% of fiscal 2022 sales, with non-food merchandise 27%, warehouse ancillary and other businesses (such as fuel and pharmacy) 21%, and fresh food 13%. Costco's warehouses average around 146,000 square feet; over 75% of its locations offer fuel. About 7% of Costco's global sales come from e-commerce (excluding same-day grocery and various other services).
