

Principles of Medical Professionalism

Vronsky's life was particularly happy in that he had a code of principles , which defined with unfailing certitude what he ought and what he ought not to do. It was clearly and precisely defined in the code of principles by which he was guided.

Upon the principles of the Declaration of Independence, the dissolution of the ties of allegiance, the assumption of sovereign power, and the institution of civil government, are all acts of transcendent authority, which the people alone are competent to perform; and, accordingly, it is in the name and by the authority of the people, that two of these acts--the dissolution of allegiance, with the severance from the British Empire, and the declaration of the United Colonies, as free and independent States--were performed by that instrument. At this day it cannot but strike us as extraordinary, that it does not appear to have occurred to any one member of that assembly, which had laid down in terms so clear, so explicit, so unequivocal, the foundation of all just government, in the imprescriptible rights of man, and the transcendent sovereignty of the people, and who in those principles had set forth their only personal vindication from the charges of rebellion against their king, and of treason to their country, that their last crowning act was still to be performed upon the same principles .

From the disorders that disfigure the annals of those republics the advocates of despotism have drawn arguments, not only against the forms of republican government, but against the very principles of civil liberty.

I have never made much account of what has proceeded from my own mind; and so long as I gathered no other advantage from the method I employ beyond satisfying myself on some difficulties belonging to the speculative sciences, or endeavoring to regulate my actions according to the principles it taught me, I never thought myself bound to publish anything respecting it.

The Conformity of the Plan to Republican Principles For the Independent Journal.

And this affection he had fixed on the girl long before he could bring himself to attempt the possession of her person: for though his constitution urged him greatly to this, his principles no less forcibly restrained him.

The same principles are followed by horticulturists; but the variations are here often more abrupt.

And so of the individual; we may assume that he has the same three principles in his own soul which are found in the State; and he may be rightly described in the same terms, because he is affected in the same manner?

All these things seem to make it plain, that none of these principles are justly founded on which these persons would establish their right to the supreme power; and that all men whatsoever ought to obey them: for with respect to those who claim it as due to their virtue or their fortune, they might have justly some objection to make; for nothing hinders but that it may sometimes happen, that

the many may be better or richer than the few, not as individuals, but in their collective capacity.
