

## Science Denial: Why It Happens and What to Do About It

modern

All good protagonists require a formidable foe, and the foe of modern portfolio theory is behavioral finance. From the Cambridge English Corpus

This is particularly clear in the case of research protocols which have become part and parcel of modern oncology. From the Cambridge English Corpus

Various representations thus coexisted in the early modern period, only to expand as time passed. From the Cambridge English Corpus

If removed and rebuilt, no longer would this be our 'truthful' modern intervention into the 'authentic' existing condition. From the Cambridge English Corpus

Some advocates of reform stressed the desirability of adding new subjects to the curriculum, including modern sciences. From the Cambridge English Corpus

The main appeal of the correspondence to the modern reader is that it tells the story so well. From the Cambridge English Corpus

This problem surfaced as the issue of whether the rise of modern science was a natural development of premodern philosophy. From the Cambridge English Corpus

This means that, modern systems do not allow types to have the same instantiation right as functions. From the Cambridge English Corpus

In the early modern period some significant themes emerge. From the Cambridge English Corpus

Moreover, we recognise that we have tended to fasten on some subset of the evidence based on restrictively 'modern' criteria. From the Cambridge English Corpus

The reasons for the dominance of kinase (and other enzyme) inhibitors as targets for modern cancer therapeutics are centred on the enzyme substrate-binding site. From the Cambridge English Corpus

One of the major problems facing modern biologists is to find a plausible (or least unlikely) hypothesis that explains the origin of life. From the Cambridge English Corpus

Both help the modern subject to discover and to appropriate its unconscious and archaic dimension. From the Cambridge English Corpus

Taste is a complex, modern phenomenon that can be understood in a number of ways. From the Cambridge English Corpus

Modern research into contemporary reading practices suggests a possible taxonomy

## P

of annotation practice. From the Cambridge English Corpus

These examples are from corpora and from sources on the web. Any opinions in the examples do not represent the opinion of the Cambridge Dictionary editors or of Cambridge University Press or its licensors.
