

Small Teaching: Everyday Lessons from the Science of Learning

The small combatants pounded and kicked, scratched and tore.

Thou hast lived too closely to the small and the pitiable.

The sight that met my eyes as I stepped out upon a small ledge which ran before the entrance of the cave filled me with consternation.

And there were many similar men, owners or part- owners in small factories, small businesses and small industries-- small capitalists, in short.

See here," continued he, drawing forth a small bottle and holding it before their eyes, "in this bottle I hold the small-pox, safely corked up; I have but to draw the cork, and let loose the pestilence, to sweep man, woman, and child from the face of the earth."

Only when we have admitted the conception of the infinitely small , and the resulting geometrical progression with a common ratio of one tenth, and have found the sum of this progression to infinity, do we reach a solution of the problem.

A man might, indeed, argue that 'much' was the contrary of 'little', and 'great' of ' small '.

If the truth must be told, even Mr Swiveller's approaches to the single gentleman were of a very distant kind, and met with small encouragement; but, as he never returned from a monosyllabic conference with the unknown, without quoting such expressions as

"'I want you just to let Captain Morstan hear that story from your own lips, Small ,' said he.

Numerous small streams come rushing and boiling through narrow clefts and ravines: one of a considerable size issued from the face of a precipice, within twenty-five feet of its summit; and after running in nearly a horizontal line for about one hundred feet, fell, by numerous small cascades, to the rocky bank of the river.

In Northern Chile, from the extreme infrequency of rain, or even of weather foreboding rain, the probability of accidental coincidences becomes very small ; yet the inhabitants are here most firmly convinced of some connection between the state of the atmosphere and of the trembling of the ground: I was much struck by this when mentioning to some people at Copiapo that there had been a sharp shock at Coquimbo: they immediately cried out, "How fortunate!
