

## Social Class and Classism in the Helping Professions: Research, Theory, and Practice

make

Then we realize that there is nothing to make it stop. From the Cambridge English Corpus

We cannot detect anything that does not make a difference, and what we detect are the differences that are made. From the Cambridge English Corpus

There are several points that must be made in response. From the Cambridge English Corpus

I wanted to make this point clear in my article. From the Cambridge English Corpus

This may make it difficult to assemble a jury. From the Cambridge English Corpus

This will make the analysis much more involved. From the Cambridge English Corpus

One can make a parallel observation about postprocessualism, in two senses. From the Cambridge English Corpus

We want to make this point clear with an example. From the Cambridge English Corpus

It made sense, it was a natural way of hunting. From the Cambridge English Corpus

As bright a flag as we could make. From the Cambridge English Corpus

We have had a will made for several years already. From the Cambridge English Corpus

What are we to make of all this? From the Cambridge English Corpus

I will never make anything of all that. From the Cambridge English Corpus

It makes the role of the response clearer. From the Cambridge English Corpus

Before we do this, we need to make them thinner. From the Cambridge English Corpus

These examples are from corpora and from sources on the web. Any opinions in the examples do not represent the opinion of the Cambridge Dictionary editors or of Cambridge University Press or its licensors.
