

Test Anxiety: Applied Research, Assessment, and Treatment Interventions

Don't you see that it gives us an infallible test for blood stains.

Another time, when Ernest had just said that the metaphysical philosophers could never stand the test of truth, Dr.

There was, however, a servant of the king's who favoured the huntsmen, and when he heard that they were going to be put to this test he went to them and repeated everything, and said: 'The lion wants to make the king believe that you are girls.' Then the king's daughter thanked him, and said to her maidens: 'Show some strength, and step firmly on the peas.' So next morning when the king had the twelve huntsmen called before him, and they came into the ante-chamber where the peas were lying, they stepped so firmly on them, and had such a strong, sure walk, that not one of the peas either rolled or stirred.

We were saying, as you will remember, that they were to be lovers of their country, tried by the test of pleasures and pains, and neither in hardships, nor in dangers, nor at any other critical moment were to lose their patriotism--he was to be rejected who failed, but he who always came forth pure, like gold tried in the refiner's fire, was to be made a ruler, and to receive honours and rewards in life and after death.

But to enable a prince to form an opinion of his servant there is one test which never fails; when you see the servant thinking more of his own interests than of yours, and seeking inwardly his own profit in everything, such a man will never make a good servant, nor will you ever be able to trust him; because he who has the state of another in his hands ought never to think of himself, but always of his prince, and never pay any attention to matters in which the prince is not concerned.

Woman is a thing of glass; But her brittleness 'tis best Not too curiously to test : Who knows what may come to pass?

In speaking of a tragedy as the same or different, the best test to take is the plot.

The little experience we had had with the strange hooked sword of the yellow man and his cuplike shield made it seem rather unlikely that either of us could pass this final test , but there was the chance that we might be quartered in the palace of Salensus Oll for several days after being accepted by Sorav before the Jeddak of Jeddaks would find time to put us to the final test .

All the rest had failed to stand the test of the books.

John Willet did as he was desired; for on that point he was seldom slow, except in the particulars of giving change, and testing the goodness of any piece of coin that was proffered to him, by the application of his teeth or his tongue, or some other test , or in doubtful cases, by a long series of tests terminating in its rejection.

P

" Test ? Yes, I know; but they're all right; I laid a few in the public road beyond our lines and they've been tested ."
