

A Quick Guide on How to Conduct Medical Research: From Set-Up to Publication

AMC COMPETITION UPDATES

2023 AIME I AND AIME II QUALIFYING THRESHOLDS

Congratulation to all AMC 10/12 participants. Thank you for joining us this cycle. Qualifying thresholds are below.

Competition AIME cutoff Honor Roll of Distinction Distinction AMC 10 A 93 121.5
100.5 AMC 12 A 85.5 126 106.5 AMC 10 B 94.5 114 100.5 AMC 12 B 81 129 105

For those students who qualify based on their AMC 10/12 scores:

The AIME I must be administered on Tuesday, Feb. 7 from 1:30 PM to 5:30 PM ET.

The AIME II must be administered on Wednesday, Feb. 15 from 1:30 PM to 5:30 PM ET.

Qualifying students are automatically enrolled in AIME I. If Competition Managers are unable to administer the AIME I, they may register for the AIME II on Wednesday, Feb. 16, by completing the AIME II Registration Form by Feb. 6. Students who need to switch to a new testing location for emergency reasons only must ask their original or new competition manager to fill out a Change of Venue Form on their behalf. Both forms will be available in the AMC Platform Dashboard under "Competition Resources."

Further instructions for digital and Print & Scan administration of the AIME will be emailed to Competition Managers. Competition Managers can find the awarding categories for their students in the reports section of the AMC Dashboard. Read more details here.

NEW: AMC PLATFORM ONBOARDING

Welcome to the 2022-2023 cycle! The new AMC Platform is available at maa.edvistas.com. Here is an onboarding series to familiarize registered Competition Managers with the AMC's new permanent home online. Catch up on any parts you might have missed below:

You can also consult the updated Teacher's Manuals on the AMC 8 and AMC 10/12 pages, read the FAQs, peruse the MAA AMC Resource Guide, or see a video recording of our walkthrough of the new platform here.

AMC SYSTEM ANNOUNCEMENT

As we continue to work diligently behind the scenes to improve your AMC experience, we have some EXCITING NEWS! MAA AMC is launching a new competition administration platform, which will host paper and digital formats of the competitions on a competition manager (CM) portal. CMs can conveniently administer the digital competition to students or print the paper competition with answer sheets and scan them back. More information on the update can be

P

found here.

AMC IMPROVEMENTS:

Eliminates the need to ship or deliver packages

Provides scores faster than ever

Gives direct access to student scores and cumulative data

Eliminates Certification Forms and other paperwork

REGISTRATION IS OPEN:

Register and process payment on amc-reg.maa.org, following the same process as in past cycles.

CONTINGENCY PLANNING FOR COMPETITION DAY:

The MAA AMC is a school-based competition program hosted by public and private educational institutions; it requires competition managers to proctor the competition at a physical location. Competition managers are strongly encouraged to create a contingency plan with alternate locations and/or dates. [Learn more about our policies here.](#)

Alternate Dates The AMC 10/12 and AIME are offered on two distinct dates each cycle to accommodate school/center closure on the official AMC 10/12 A and AIME I dates. If the school/center is canceled on the day of the AMC 10 A, AMC 12 A, or AIME I, the competition manager should contact AMC customer service immediately at to register the location for the AMC 10 B, AMC 12 B, or AIME II, respectively. Additional competition dates are not offered for the AMC 10 B, AMC 12 B, and AIME II if the school/center is canceled on these dates.

Alternate Locations If the competition manager's registered location is closed on the official competition dates,

the competition manager may administer the competition at a library, another school, a university, or a place of worship. However, the competition manager must receive approval from the school/center administration before offering the competition at an alternative location.

â€‹ PROCTORING UPDATE:

The competitions program has always required competition managers to be affiliated with a physical location. During the past two cycles, we temporarily allowed remote proctoring solely in response to nationwide closures for COVID-19. Starting with the 2022-23 cycle, the AMC will return to its original in-person format. We will continue to monitor the situation and provide updates as needed.

Congratulations to all 2022 USA(J)MO participants!

New USA(J)MO Awards! For the USAMO, the AMC will award Gold prizes to at least approximately 6%, Silver to at least approximately 12%, and Bronze to at least approximately 18% of competitors. For the USAJMO, we will continue to name winners but will increase recognition to at least 20% of contestants. For both USAMO and USAJMO, each additional contestant with 14 points or more will receive an Honorable Mention distinction. Each year, the Student Selection Committee will decide exact percentages and number of awards. Congratulations to the 2022 USA(J)MO awardees!

Welcome to the American Mathematics Competitions Program!

The MAA's American Mathematics Competitions program leads the nation in strengthening the mathematical capabilities of the next generation of problem-solvers. Through classroom resources and friendly competition, the MAA AMC program helps America's educators identify talent and foster a love of mathematics. The MAA AMC program positively impacts the analytical skills needed for future careers in an innovative society.

The American Mathematics Competitions are a series of examinations and curriculum materials that build problem-solving skills and mathematical knowledge in middle and high school students.
