

Eating Disorders, Addictions and Substance Use Disorders: Research, Clinical and Treatment Perspectives

Now I feel fine!" he said after eating the last one.

While the strangers were engaged in eating , many of the people came and stood in the street curiously watching them.

Just eating and drinking, nothing more, but so much!

"Ah, ha," cried Danglars, "this fellow is more like an ogre than anything else; however, I am rather too old and tough to be very good eating !" We see that Danglars was collected enough to jest; at the same time, as though to disprove the ogreish propensities, the man took some black bread, cheese, and onions from his wallet, which he began devouring voraciously.

Porpoises, indeed, are to this day considered fine eating . The meat is made into balls about the size of billiard balls, and being well seasoned and spiced might be taken for turtle-balls or veal balls.

Had the cub thought in man-fashion, he might have epitomised life as a voracious appetite and the world as a place wherein ranged a multitude of appetites, pursuing and being pursued, hunting and being hunted, eating and being eaten, all in blindness and confusion, with violence and disorder, a chaos of gluttony and slaughter, ruled over by chance, merciless, planless, endless.

Actually was he hungry when he had megapode eggs, and the well-nigh dried founts of saliva and of internal digestive juices were stimulated to flow again at contemplation of a megapode egg prepared for the eating . Wherefore, he alone of all Somo, barred rigidly by taboo, ate megapode eggs.

I always was fond of eating and drinking, even as a child--especially eating , in those early days.

The manner of eating in Abyssinia, their dress, their hospitality, and traffic.

Jim had refused to leave the field of grass, where he was engaged in busily eating ; so the Wizard got out of the buggy and joined Zeb and Dorothy, and the kitten followed demurely at their heels.

In that way I can talk while I am eating without being rude.
