

Flesh and Bones: The Art of Anatomy

Recent Examples on the Web

Noun

Sundance returns to Park City, Utah, this year in the flesh (and blood). â€” Vulture, 20 Jan. 2023

But much of Accused feels less like the stories of flesh-and-blood humans, and more like thought exercises acted out by puppets to prove a point, usually about one hot topic or another â€” school shootings, the opioid epidemic, etc. â€” Angie Han, The Hollywood Reporter, 18 Jan. 2023

As the Freudians have long told us, the real censor isnâ€™t so much the flesh-and-blood mother as the one inside. â€” Nikhil Krishnan, The New Yorker, 16 Jan. 2023

That gave it a flesh-and-blood novelty in a year of big budget movies that turned their actors into digital avatars (and Avatars). â€” A.a. Dowd, Chron, 30 Dec. 2022

Rather than an intellectual history that charts an abstract idea across space and time, Cowie gives us a visceral, flesh-and-blood narrative rooted in a very specific place: Barbour County, Alabama. â€” Eric Herschthal, The New Republic, 8 Dec. 2022

But Sharpâ€™s origins are a mystery, leaving Hornby the unenviable task of fashioning an imaginary past for a flesh-and-blood figure â€” never an easy fictional sleight of hand and harder still when the gaps in the historical record are chasms. â€” Clare Mchugh, Washington Post, 10 Nov. 2022

But until the bots are up and running, Muskâ€™s Squid Game still needs flesh-and-blood workers. â€” WIRED, 26 Oct. 2022

At its core, though, the depiction of Mamieâ€™s strength and resilience captures her as more than just a symbol, but a reluctant flesh-and-blood hero whose determination in the face of an unspeakable tragedy echoed beyond her time into ours. â€” Brian Lowry, CNN, 14 Oct. 2022

Verb

The moment felt even rawer since the HBO Max adaptation closely followed the Dumbo actress in the first episode to flesh out a sincere attachment with viewers. â€” Jacqueline Saguin, Good Housekeeping, 22 Jan. 2023

In the time off taken to flesh out that onscreen relationship, the pandemic hit. â€” Robert Abele, Los Angeles Times, 12 Dec. 2022

To flesh out how hempâ€™s cannabinoids impact livestock, scientists at the German Federal Institute for Risk Assessment fed 10 lactating dairy cows

P

differing amounts of hemp feed containing a range of cannabinoid concentrations.

â€" Byjack Tamisiea, science.org, 14 Nov. 2022

The results, published in *Geology*, will help flesh out details in geological models about the ebb and flow of Earth's crust and the oceans between. â€" Breanna Draxler, *Discover Magazine*, 19 June 2013

Interspersed between those accounts and Kwanâ€™s forays into his own background are history lessons to flesh out the sociopolitical context behind each story of global migration. â€" Jenny G. Zhang, *Washington Post*, 11 Jan. 2023

Recipients will gather for a three-day workshop in January to flesh out ideas before rolling out their plans over the next 12 months. â€" Blake Nelsonstaff Reporter, *San Diego Union-Tribune*, 2 Jan. 2023

The author has a gift for set pieces that flesh out his nostalgic world-building. â€" Marc Weingarten, *Los Angeles Times*, 1 Dec. 2022

The artist would first block the position of the flower with a monochrome underpainting and then flesh out the details by applying semi-transparent paints such as glazes for the shadows. â€" Jennifer Ouellette, *Ars Technica*, 14 June 2022
