

## **Inclusive Leadership (Leadership: Research and Practice)**

There are many ways that people can be inclusive. This article will cover the various meanings of inclusive and how to use them in a sentence. Weâ€™re also going over the origin of the word inclusive, translations, and synonyms and antonyms. Read on to learn about inclusive things!

### **What Does the Word Inclusive Mean?**

According to Collins English Dictionary, the adjective inclusive refers to something that is comprehensive or includes the stated limits. Something inclusive does not discriminate against a particular group of people. Inclusive can also refer to the first-person plural pronoun when a person includes the person who is being addressed.

Inclusive is three syllables: in-clu-sive. To create the adverb form of inclusive, add the suffix -ly to create inclusively. To create the noun version of inclusive, add the suffix -ness to form inclusiveness or the suffix -ity to form inclusivity.

### **What Is the Origin of the Word Inclusive?**

According to Dictionary, the word inclusive has been used since Middle English in the 15th century. This word comes from the Medieval Latin *includere* and Latin *includere*.

### **How Can Inclusive Be Used in a Sentence?**

The word inclusive can be used in several contexts. Inclusive can refer to something that is welcoming and inviting or something that includes its specific parameters.

See if you can determine which definition of inclusive is being used in the below sentences. Then, try coming up with your own inclusive examples!
