

Nonparametric Statistics for Health Care Research: Statistics for Small Samples and Unusual Distributions

His life was prefixed to all the early editions of these fables, and was republished as late as 1727 by Archdeacon Croxall as the introduction to his edition of Aesop.

"I want you to give me an introduction to Miserrimus Dexter."

Browning is justly chargeable with "obscurity"--with a difficulty of manner, that is, beyond the intrinsic difficulty of his matter--it is very probable that an Introduction to the study of his works, such as this of Mr.

Taylor, with Porphyry's Introduction , 9 vols., 1812; under editorship of J.

Such was my escape from the killing machine-toil, and my introduction to the oyster pirates.

I do not pretend to plead the immunities of my order so highly as this; but neither will I allow that the author of a modern antique romance is obliged to confine himself to the introduction of those manners only which can be proved to have absolutely existed in the times he is depicting, so that he restrain himself to such as are plausible and natural, and contain no obvious anachronism.

He will carry this note himself, which is to serve as an introduction to you, with whom he longs to be acquainted.

History will teach us that the former has been found a much more certain road to the introduction of despotism than the latter, and that of those men who have overturned the liberties of republics, the greatest number have begun their career by paying an obsequious court to the people; commencing demagogues, and ending tyrants.

The introduction was followed up on his side by a happy readiness of conversation-- a readiness at the same time perfectly correct and unassuming; and the whole party were still standing and talking together very agreeably, when the sound of horses drew their notice, and Darcy and Bingley were seen riding down the street.

I am going to the Head Office; and I have got a letter of introduction to the chief inspector in the detective department.

He was visiting San Francisco for his health, deluded man, and brought me a note of introduction from Mr.
