

Regression Models as a Tool in Medical Research

The American Association of Oral and Maxillofacial Surgeons (AAOMS), is a not-for-profit professional association serving the professional and public needs of the specialty of oral and maxillofacial surgery, the surgical arm of dentistry. The mission of the American Association of Oral and Maxillofacial Surgeons is to provide a means of self-government relating to professional standards, ethical behavior and responsibilities of its fellows and members; to contribute to the public welfare; to advance the specialty; and to support its fellows and members through education, research and advocacy.
