

The summer semester was in full tide; consequently the most frequent figure in and about Heidelberg was the student . Most of the students were Germans, of course, but the representatives of foreign lands were very numerous. It would be a mistake to suppose that the easy-going pleasure-seeking student carries an empty head.

"She said that she would dance with me if I brought her red roses," cried the young Student ; "but in all my garden there is no red rose." "The Prince gives a ball to-morrow night," murmured the young Student , "and my love will be of the company.

Experience has suggested the brief introductory statement of main literary principles, too often taken for granted by teachers, with much resulting haziness in the student 's mind. This book aims to provide a general manual of English Literature for students in colleges and universities and others beyond the high-school age.

When the horseman came up, he proved to be a student , a merry fellow, who was journeying along on his nag, and singing as he went. good morning to thee, my friend!' The student looked about everywhere; and seeing no one, and not knowing where the voice came from, cried out, 'Who calls me?'

Having been so long without proper food, a bath, and a change of clothing, I did not, of course, make a very favourable impression upon her, and I could see at once that there were doubts in her mind about the wisdom of admitting me as a student . I felt that I could hardly blame her if she got the idea that I was a worthless loafer or tramp.

Luke's because his father had been a student there, and before the end of the summer session had gone up to London for a day in order to see the secretary.

"Not at all," said the student ; "it is the wedding of a farmer and a farmer's daughter, he the richest in all this country, and she the fairest mortal ever set eyes on.
