

Systematic Approaches to a Successful Literature Review

If our systematic arrangements can be trusted, that is if the genera of animals are as distinct from each other, as are the genera of plants, then we may infer that animals more widely separated in the scale of nature can be more easily crossed than in the case of plants; but the hybrids themselves are, I think, more sterile.

A manual, it seems to me, should supply a systematic statement of the important facts, so that the greater part of the student's time, in class and without, may be left free for the study of the literature itself.

The systematic reserve of a superior toward an inferior may be occasionally overcome -- the systematic familiarity never.

'Of this man Pickwick I will say little; the subject presents but few attractions; and I, gentlemen, am not the man, nor are you, gentlemen, the men, to delight in the contemplation of revolting heartlessness, and of systematic villainy.'

Square offspring has sometimes resulted from a slightly Irregular Triangle; but in almost every such case the Irregularity of the first generation is visited on the third; which either fails to attain the Pentagonal rank, or relapses to the Triangular.] Such a birth requires, as its antecedents, not only a series of carefully arranged intermarriages, but also a long, continued exercise of frugality and self-control on the part of the would-be ancestors of the coming Equilateral, and a patient, systematic, and continuous development of the Isosceles intellect through many generations.

The smaller the extent of the territory, the more difficult will it be for the people to form a regular or systematic plan of opposition, and the more easy will it be to defeat their early efforts.

They removed their prisoner to the ground and then commenced a systematic rifling of the vessel.

Individuals had come from the rich establishment at Lebanon, from Canterbury, Harvard, and Alfred, and from all the other localities where this strange people have fertilized the rugged hills of New England by their systematic industry.

We gazed helplessly at the systematic, cold, gray-eyed obstinacy of the Easterly weather, while short rations became the order of the day, and the pinch of hunger under the breast-bone grew familiar to every sailor in that held-up fleet.

The islanders, who only smoke a whiff or two at a time, and at long intervals, and who keep their pipes going from hand to hand continually, regarded my systematic smoking of four or five pipefuls of tobacco in succession, as something quite wonderful.

Such are enabled, with apparent ease, and without severity, to subject to their

P

will, and bring into harmonious and systematic order, the various members of their small estate,--to regulate their peculiarities, and so balance and compensate the deficiencies of one by the excess of another, as to produce a harmonious and orderly system.
