The last clause of the eighth section of the first article of the plan under consideration authorizes the national legislature "to make all laws which shall be NECESSARY and PROPER for carrying into execution THE POWERS by that Constitution vested in the government of the United States, or in any department or officer thereof"; and the second clause of the sixth article declares, "that the Constitution and the laws of the United States made IN PURSUANCE THEREOF, and the treaties made by their authority shall be the SUPREME LAW of the land, any thing in the constitution or laws of any State to the contrary notwithstanding."

To establish an uniform Rule of Naturalization, and uniform Laws on the subject of Bankruptcies throughout the United States;

The traditional conception of cause and effect is one which modern science shows to be fundamentally erroneous, and requiring to be replaced by a quite different notion, that of LAWS OF CHANGE.

He thought also that there need only be three sorts of laws , corresponding to the three sorts of actions which can be brought, namely, for assault, trespasses, or death.

Judges must beware of hard constructions, and strained inferences; for there is no worse torture, than the torture of laws . Specially in case of laws penal, they ought to have care, that that which was meant for terror, be not turned into rigor; and that they bring not upon the people, that shower whereof the Scripture speaketh, Pluet super eos laqueos; for penal laws pressed, are a shower of snares upon the people.

Laws of motion of any kind become comprehensible to man only when he examines arbitrarily selected elements of that motion; but at the same time, a large proportion of human error comes from the arbitrary division of continuous motion into discontinuous elements.

Just to give you an idea of the immense variety of the Jungle Law , I have translated into verse (Baloo always recited them in a sort of sing-song) a few of the laws that apply to the wolves.

A most sensible grievance of those aggrieved times were the Forest Laws . These oppressive enactments were the produce of the Norman Conquest, for the Saxon laws of the chase were mild and humane; while those of William, enthusiastically attached to the exercise and its rights, were to the last degree tyrannical.

I shall confine myself to a cursory review of the remaining powers comprehended under this third description, to wit: to regulate commerce among the several States and the Indian tribes; to coin money, regulate the value thereof, and of foreign coin; to provide for the punishment of counterfeiting the current coin and securities of the United States; to fix the standard of weights and measures; to establish a uniform rule of naturalization, and uniform laws of bankruptcy, to prescribe the manner in which the public acts, records, and

judicial proceedings of each State shall be proved, and the effect they shall have in other States; and to establish post offices and post roads.

I add, too, that all the protection which, consistently with the Constitution and the laws , can be given, will be cheerfully given to all the States when lawfully demanded, for whatever cause-- as cheerfully to one section as to another.

The theory of politics which has possessed the mind of men, and which they have expressed the best they could in their laws and in their revolutions, considers persons and property as the two objects for whose protection government exists.
